		Artist	Score		Artist	Score	
1	Hunter	Garry Rawlinson	*21 Best	Atlantic Puffin with Sand Eels	Brian White	17	A very good close up of a greedy bird. Might need a better highlight on the tip of the beak to be sharper
2	Thief	David Woodhead	18	Black Tailed Godwit Encounter	Nigel Howard	18	Good to see a nature image that is not a static shot - great violence. Could be a bit more detail under the wing
3	Fishermen	David Wright	18	Buchaille Etive Mor	John Bradshaw	17	Lots of interest in the ice. Two points of interest - the ice and the light on the Ben
4	Brahminy Kite	Freda Crossland	*20	Cheetah	Mike Margiotta	*20	So sharp I want to stroke it! Can see every hair. No distraction in the background. Excellent.
5	New Moor	Adrian Lines	*20	Fishing Boat Graveyard	Mike Williamson	16	Well seen -looks like a beached whale. Very good shape. Sky could perhaps be a bit darker?
6	Getting It Wrong	Gary Charnock	17	Gibson Mill, Hebden Bridge	Gordon Hartley	17	Interesting subject. Beautiful colours. Boat breaks the symmetry
7	Burnet Moth	Ian Taylor	16	Herring Gull	Mike Margiotta	17	Very difficult to take. Very sharp with good detail. The eye is especially sharp.
8	Swim for your Life	Jeremy Malley-Smith	16	Langdale Reflections	Peter Maddock	16	Good light, and you can feel the coldness. Possibly may be better with less sky and reflection?
9	The Flying Irishman	Jonathan Lowey	*19	Lochan Reflections	John Bradshaw	17	This has three section- the foreground, the water and the mountains. Good exposure and the light works well.
10	American Dream	Keith Wright	17	New York Sunrise	Jeff Griffiths	16	Wonderful sky and good reflections.
11	Cold Winters Day	Steve Hitchen	17	The Quiraing on Skye	Mike Williamson	17	Great landscape. Good shapes and lighting. Good composition with rocks as focus point.
12	On The Rapids	Steve Howard	18	Wild Water	Rob Wigley	17	Sense of power as the waves crash against the pier. Good light and movement.
