		Artist	Score		Artist	Score	
1	Balloon Race	Sarah Davies	16	Buchaille Etive Mor	John Bradshaw	15	A popular mountain to photograph, this has an interesting lead-in, with the frozen river flowing from the mountain. The sky is a bit wishy washy.
2	Cigarette Break Marrakesh	Geoff Harris	14	Clematis	Peter Maddock	14	A very sharp central image, but the light edges are in competition with the centre, and could be darkened. Sharp where it needs to be.
3	Golden Eagle on Carcass	Barrie H Kelly	19*	Seventy Years On	Ray Jefferson	15	A good title and good use of monochrome treatment. The cropped wings and parts of the plane would be better left complete.
4	Lunar Light	Kirby Andrew	13	Young Love	Mike Hesp	15	Good elements and shapes and lines of the couple. The position of the bag balances the coat. Spoilt slightly by the distracting cars and railings in the background.
5	Dragonfly	David Lyle	17	The Quirang on Skye	Mike Williamson	17	A very nice view from an unusual position. Would perhaps be better brighter, and the white rocks on the bottom left could be cloned out.
6	Winter Reflections	Diane Noles	19*	Red Kite in Flight, Wales	Brian White	19*	Very sharp, with the bird positioned well in the centre.
7	Cheetah in the Mara	John Scotson	19*	Mountain Mist	Jeff Griffiths	13	Parts of the water are a bit burnt out, and lacks detail. It needs lead lines to go to something.
8	The Red Hat	George Steele	16	Sweetheart Abbey	Tracy Calderbank	13	Interesting use of monochrome, with a touch of blue in the sky. Dramatic view but not dramatic lighting. Odd shapes are distracting.
9	Tutti Frutti	Eb Swarbrick	14	Black Tailed Godwit Encounter	Nigel Howard	20	A cracking image, great detail, superb action shot.
10	Neck and Neck	David Wilkinson	18	Portrait of a Leopard	Mike Margiotta	19	Wow!. Critically sharp, especially the eyes and nose. Hope the author was at a safe distance!
